

National Tracking Poll #2003128  
March 31 - April 01, 2020

*Crosstabulation Results*

*Methodology:*

This poll was conducted between March 31-April 1, 2020 among a national sample of 2200 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on age, educational attainment, gender, race, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

# Table Index

1 **Table CMS1:** *As you may know, a new strain of a virus called coronavirus was identified by Chinese authorities in early January, and has spread around the world, infecting more than 826,000 individuals and killing over 40,700 people. The World Health Organization declared this outbreak of the coronavirus is a pandemic, posing a risk to countries outside of China. President Trump declared a public health emergency in the United States shortly after. Based on what you know, how concerned are you about the outbreak of coronavirus?* . . . . . 11

2 **Table CMS2:** *And specifically, how concerned are you about coronavirus spreading in the United States?* . . . . . 17

3 **Table CMS3\_1:** *To what extent is the coronavirus a health risk in the following places? China* 23

4 **Table CMS3\_2:** *To what extent is the coronavirus a health risk in the following places? Asia* 29

5 **Table CMS3\_3:** *To what extent is the coronavirus a health risk in the following places? Europe* 35

6 **Table CMS3\_4:** *To what extent is the coronavirus a health risk in the following places? United States* . . . . . 41

7 **Table CMS3\_5:** *To what extent is the coronavirus a health risk in the following places? Globally* 47

8 **Table CMS3\_6:** *To what extent is the coronavirus a health risk in the following places? The Middle East* . . . . . 53

9 **Table CMS3\_7:** *To what extent is the coronavirus a health risk in the following places? South America* . . . . . 59

10 **Table CMS3\_8:** *To what extent is the coronavirus a health risk in the following places? Central America* . . . . . 65

11 **Table CMS3\_9:** *To what extent is the coronavirus a health risk in the following places? Your state* . . . . . 71

12 **Table CMS3\_10:** *To what extent is the coronavirus a health risk in the following places? Your community* . . . . . 77

13 **Table CMS4\_1:** *In light of the outbreak of the coronavirus, are you more or less likely to do each of the following in the next 6 months, or is there no change? Travel within the U.S.* . . . 83

14 **Table CMS4\_2:** *In light of the outbreak of the coronavirus, are you more or less likely to do each of the following in the next 6 months, or is there no change? Travel outside of the U.S.* . 89

15 **Table CMS4\_3:** *In light of the outbreak of the coronavirus, are you more or less likely to do each of the following in the next 6 months, or is there no change? Stay overnight at a hotel in the U.S.* . . . . . 95

16 **Table CMS4\_4:** *In light of the outbreak of the coronavirus, are you more or less likely to do each of the following in the next 6 months, or is there no change? Stay overnight at a hotel outside of the U.S.* . . . . . 101

17	<b>Table CMS4_5:</b> <i>In light of the outbreak of the coronavirus, are you more or less likely to do each of the following in the next 6 months, or is there no change? Travel within Asia . . . . .</i>	107
