

National Tracking Poll #200648
June 10-12, 2020

Crosstabulation Results

Methodology:

This poll was conducted between June 10-June 12, 2020 among a national sample of 1509 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on gender, educational attainment, age, race, race, and region. Results from the full survey have a margin of error of plus or minus 3 percentage points.

Table Index

- 1 **Table MCC1_1:** *How much have you seen, read, or heard about each of the following? Protests and demonstrations in dozens of U.S. cities in response to the death of George Floyd* 11
- 2 **Table MCC1_2:** *How much have you seen, read, or heard about each of the following? George Floyd, a black Minneapolis man, dying after police officer Derek Chauvin kneeled on his neck for several minutes* 15
- 3 **Table MCC1_3:** *How much have you seen, read, or heard about each of the following? Police officers in Louisville, Kentucky, fatally shooting Breonna Taylor after entering her home with a warrant* 18
- 4 **Table MCC1_4:** *How much have you seen, read, or heard about each of the following? President Trump suggesting on Twitter that Buffalo Police pushing Martin Gugino, a 75 year old white man, could have been a set-up* 21
- 5 **Table MCC2_1:** *In general, do you support or oppose each of the following during the ongoing protests in response to the death of George Floyd and others in the African American community? The protest in general* 24
- 6 **Table MCC2_2:** *In general, do you support or oppose each of the following during the ongoing protests in response to the death of George Floyd and others in the African American community? Protesters* 28
- 7 **Table MCC2_3:** *In general, do you support or oppose each of the following during the ongoing protests in response to the death of George Floyd and others in the African American community? The police* 32
- 8 **Table MCC3_1:** *How important is it for each of the following to address racial inequality in the U.S., which refers to differences across races in income, access to quality healthcare, access to voting rights or general quality of life? Religious leaders* 36
- 9 **Table MCC3_2:** *How important is it for each of the following to address racial inequality in the U.S., which refers to differences across races in income, access to quality healthcare, access to voting rights or general quality of life? Business leaders* 40
- 10 **Table MCC3_3:** *How important is it for each of the following to address racial inequality in the U.S., which refers to differences across races in income, access to quality healthcare, access to voting rights or general quality of life? Company CEOs* 44
- 11 **Table MCC3_4:** *How important is it for each of the following to address racial inequality in the U.S., which refers to differences across races in income, access to quality healthcare, access to voting rights or general quality of life? Mayors* 48
- 12 **Table MCC3_5:** *How important is it for each of the following to address racial inequality in the U.S., which refers to differences across races in income, access to quality healthcare, access to voting rights or general quality of life? Governors* 52

81	Table MCC19_3: <i>Now, thinking about the current protests and demonstrations in dozens of U.S. cities, do they make you more or less likely to do the following? Travel internationally . .</i>	320
82	Table MCC19_4: <i>Now, thinking about the current protests and demonstrations in dozens of U.S. cities, do they make you more or less likely to do the following? Support a minority-owned business</i>	324
83	Table MCC19_5: <i>Now, thinking about the current protests and demonstrations in dozens of U.S. cities, do they make you more or less likely to do the following? Leave your home</i>	328
84	Table MCC19_6: <i>Now, thinking about the current protests and demonstrations in dozens of U.S. cities, do they make you more or less likely to do the following? Return to work in-person</i>	332
85	Table MCC19_7: <i>Now, thinking about the current protests and demonstrations in dozens of U.S. cities, do they make you more or less likely to do the following? Visit a local small business</i>	336
86	Table MCC19_8: <i>Now, thinking about the current protests and demonstrations in dozens of U.S. cities, do they make you more or less likely to do the following? Shop at a black-owned business</i>	340
87	Table MCC20_1: <i>Now, thinking about the protests and demonstrations across America in response to the death of George Floyd, to what extent do you agree or disagree with the following? How businesses react and express themselves on topics such as this will permanently affect my decision to buy from them</i>	344
88	Table MCC20_2: <i>Now, thinking about the protests and demonstrations across America in response to the death of George Floyd, to what extent do you agree or disagree with the following? It is now more important to me that companies I buy from have a diverse management team</i>	348
89	Table MCC20_3: <i>Now, thinking about the protests and demonstrations across America in response to the death of George Floyd, to what extent do you agree or disagree with the following? All companies should have a point of view on or make a statement about this situation, regardless of their industry or geographic location</i>	352
90	Table MCC20_4: <i>Now, thinking about the protests and demonstrations across America in response to the death of George Floyd, to what extent do you agree or disagree with the following? How company CEOs react and express themselves on topics such as this will permanently affect my decision to buy from their company</i>	356
91	Table MCC20_5: <i>Now, thinking about the protests and demonstrations across America in response to the death of George Floyd, to what extent do you agree or disagree with the following? While I appreciate CEOs making a public statement or posting about important social issues such as Black Lives Matter, their actions speak louder than their words</i>	360

92	Table MCC20_6: <i>Now, thinking about the protests and demonstrations across America in response to the death of George Floyd, to what extent do you agree or disagree with the following? CEOs should express or reaffirm their organization’s commitment to fighting racism and discrimination, and provide specifics on how they will ensure this happens</i>	364
93	Table MCC20_7: <i>Now, thinking about the protests and demonstrations across America in response to the death of George Floyd, to what extent do you agree or disagree with the following? CEOs should express or reaffirm their organization’s commitment to promoting diversity, inclusion, equality, and advocacy, and provide specifics on how they will ensure this happens</i>	368
94	Table MCC20_8: <i>Now, thinking about the protests and demonstrations across America in response to the death of George Floyd, to what extent do you agree or disagree with the following? CEOs should clearly outline how their organization is taking steps to improve social, racial and economic equality in their organization and how they will remain committed moving forward</i>	372
95	Table MCC20_9: <i>Now, thinking about the protests and demonstrations across America in response to the death of George Floyd, to what extent do you agree or disagree with the following? CEOs should express or reaffirm their commitment to ensuring their organization’s hiring process is equitable, inclusive, and accessible to diverse populations and provide specifics on how they will ensure this happens</i>	376
96	Table MCC20_10: <i>Now, thinking about the protests and demonstrations across America in response to the death of George Floyd, to what extent do you agree or disagree with the following? CEOs should express or reaffirm their commitment to more diverse and equitable representation at all levels of their organization, such as diversity pledges, and provide specifics on how they will ensure this happens</i>	380
97	Table MCC20_11: <i>Now, thinking about the protests and demonstrations across America in response to the death of George Floyd, to what extent do you agree or disagree with the following? CEOs should express or reaffirm their commitment to demanding diversity, inclusion, and equality throughout their organization’s supply chain, including partners, providers, and clients</i>	384
98	Table MCC20_12: <i>Now, thinking about the protests and demonstrations across America in response to the death of George Floyd, to what extent do you agree or disagree with the following? CEOs should use their power and influence to demand action from government entities who have the power to enact systemic change</i>	388
99	Table MCC20_13: <i>Now, thinking about the protests and demonstrations across America in response to the death of George Floyd, to what extent do you agree or disagree with the following? CEOs should make a statement, whether official or personal, about their commitment to be an ally</i>	392
100	Table MCC21: <i>Thinking about the statements some businesses have made in response to the Black Lives Matter movement, in six months from now how important will their actions in response to the Black Lives Matter movement be to you when deciding whether or not to buy from those companies?</i>	396

101 **Table MCC22:** *Thinking about the statements some businesses have made in response to the Black Lives Matter movement, in six months from now , how important will their follow-through on the commitments they made in response to the Black Lives Matter movement be to you when deciding whether or not to buy from those companies?* 399

102 **Table MCC23:** *Thinking about the statements some businesses have made in response to the Black Lives Matter movement, in six months from now how important will their actions and their commitments in response to the Black Lives Matter movement be when deciding whether or not to work for those companies?* 403

103 **Table MCCdem1:** *Are you, or is a member of your household, or a member of your extended family or friends a member of and local, state or federal police force?* 407
