

National Tracking Poll #210135
January 08-11, 2021

Crosstabulation Results

Methodology:

This poll was conducted between January 8-January 11, 2021 among a national sample of 1996 Registered Voters. The interviews were conducted online and the data were weighted to approximate a target sample of Registered Voters based on gender, educational attainment, age, race, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.
