

National Tracking Poll #2102103
February 19-22, 2021

Crosstabulation Results

Methodology:

This poll was conducted between February 19-February 22, 2021 among a national sample of 2013 Registered Voters. The interviews were conducted online and the data were weighted to approximate a target sample of Registered Voters based on gender, educational attainment, age, race, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

Table POL15_7: As you may know, winter storms in much of the country have hit Texas particularly hard, forcing state energy regulators to institute extended blackouts and leaving millions without safe drinking water, electricity, or heat as temperatures remained below freezing. Based on what you have seen, read or heard, how responsible are each of the following for the situation in Texas?
