

National Tracking Poll #2103157
March 24-28, 2021

Crosstabulation Results

Methodology:

This poll was conducted between March 24-March 28, 2021 among a national sample of 2200 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on age, gender, educational attainment, race, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

Table Index

1	Table MCFE1: <i>Have you received a COVID-19 (coronavirus) vaccine?</i>	8
2	Table MCFE2_1: <i>In general, what kind of fan do you consider yourself of the following? Film</i>	12
3	Table MCFE2_2: <i>In general, what kind of fan do you consider yourself of the following? Tele- vision</i>	16
4	Table MCFE2_3: <i>In general, what kind of fan do you consider yourself of the following? Music</i>	20
5	Table MCFE2_4: <i>In general, what kind of fan do you consider yourself of the following? Sports</i>	24
6	Table MCFE3_1: <i>How comfortable would you feel doing the following before you have been vaccinated for COVID-19 (coronavirus)? Going to a movie theater</i>	28
7	Table MCFE3_2: <i>How comfortable would you feel doing the following before you have been vaccinated for COVID-19 (coronavirus)? Going to an amusement park</i>	32
8	Table MCFE3_3: <i>How comfortable would you feel doing the following before you have been vaccinated for COVID-19 (coronavirus)? Going to a shopping mall</i>	36
9	Table MCFE3_4: <i>How comfortable would you feel doing the following before you have been vaccinated for COVID-19 (coronavirus)? Socializing with people in public places</i>	40
10	Table MCFE3_5: <i>How comfortable would you feel doing the following before you have been vaccinated for COVID-19 (coronavirus)? Going to a restaurant</i>	44
11	Table MCFE3_6: <i>How comfortable would you feel doing the following before you have been vaccinated for COVID-19 (coronavirus)? Going to an indoor event at a stadium or arena, such as a concert or sports game</i>	48
12	Table MCFE3_7: <i>How comfortable would you feel doing the following before you have been vaccinated for COVID-19 (coronavirus)? Going to an outdoor event at a stadium or arena, such as a concert or sports game</i>	52
13	Table MCFE4_1: <i>And how comfortable would you feel doing the following within 1 month of being vaccinated for COVID-19 (coronavirus)? Going to a movie theater</i>	56
14	Table MCFE4_2: <i>And how comfortable would you feel doing the following within 1 month of being vaccinated for COVID-19 (coronavirus)? Going to an amusement park</i>	60
15	Table MCFE4_3: <i>And how comfortable would you feel doing the following within 1 month of being vaccinated for COVID-19 (coronavirus)? Going to a shopping mall</i>	64
16	Table MCFE4_4: <i>And how comfortable would you feel doing the following within 1 month of being vaccinated for COVID-19 (coronavirus)? Socializing with people in public places</i> . . .	68
17	Table MCFE4_5: <i>And how comfortable would you feel doing the following within 1 month of being vaccinated for COVID-19 (coronavirus)? Going to a restaurant</i>	72

18	Table MCFE4_6: <i>And how comfortable would you feel doing the following within 1 month of being vaccinated for COVID-19 (coronavirus)? Going to an indoor event at a stadium or arena, such as a concert or sports game</i>	76
19	Table MCFE4_7: <i>And how comfortable would you feel doing the following within 1 month of being vaccinated for COVID-19 (coronavirus)? Going to an outdoor event at a stadium or arena, such as a concert or sports game</i>	80
20	Table MCFE5_1: <i>Thinking about visiting businesses such as restaurants, movie theaters and stadiums in the months ahead when stay-at-home orders have ended, to what extent would the following precautions make you feel more or less comfortable? Installing more hand sanitizers</i>	84
21	Table MCFE5_2: <i>Thinking about visiting businesses such as restaurants, movie theaters and stadiums in the months ahead when stay-at-home orders have ended, to what extent would the following precautions make you feel more or less comfortable? Regularly sanitizing high-touch surfaces</i>	88
22	Table MCFE5_3: <i>Thinking about visiting businesses such as restaurants, movie theaters and stadiums in the months ahead when stay-at-home orders have ended, to what extent would the following precautions make you feel more or less comfortable? Requiring all employees to wear masks</i>	92
23	Table MCFE5_4: <i>Thinking about visiting businesses such as restaurants, movie theaters and stadiums in the months ahead when stay-at-home orders have ended, to what extent would the following precautions make you feel more or less comfortable? Requiring all customers or attendees to wear masks</i>	96
24	Table MCFE5_5: <i>Thinking about visiting businesses such as restaurants, movie theaters and stadiums in the months ahead when stay-at-home orders have ended, to what extent would the following precautions make you feel more or less comfortable? Spacing seating or standing arrangements six feet apart to ensure social distancing</i>	100
25	Table MCFE5_6: <i>Thinking about visiting businesses such as restaurants, movie theaters and stadiums in the months ahead when stay-at-home orders have ended, to what extent would the following precautions make you feel more or less comfortable? Allowing a smaller share of customers or attendees into certain spaces</i>	104
26	Table MCFE5_7: <i>Thinking about visiting businesses such as restaurants, movie theaters and stadiums in the months ahead when stay-at-home orders have ended, to what extent would the following precautions make you feel more or less comfortable? Requiring temperature screenings for all customers or attendees</i>	108
27	Table MCFE5_8: <i>Thinking about visiting businesses such as restaurants, movie theaters and stadiums in the months ahead when stay-at-home orders have ended, to what extent would the following precautions make you feel more or less comfortable? Posting signage encouraging social distancing among customers or attendees</i>	112

28 **Table MCFE5_9:** *Thinking about visiting businesses such as restaurants, movie theaters and stadiums in the months ahead when stay-at-home orders have ended, to what extent would the following precautions make you feel more or less comfortable? Posting signage about cleaning and sanitizing schedules* 116

29 **Table MCFE5_10:** *Thinking about visiting businesses such as restaurants, movie theaters and stadiums in the months ahead when stay-at-home orders have ended, to what extent would the following precautions make you feel more or less comfortable? Operating specific hours for the elderly, immunocompromised or vulnerable groups* 120

30 **Table MCFE5_11:** *Thinking about visiting businesses such as restaurants, movie theaters and stadiums in the months ahead when stay-at-home orders have ended, to what extent would the following precautions make you feel more or less comfortable? Offering prepackaged food or takeout in place of dine in or served food options* 124

31 **Table MCFE5_12:** *Thinking about visiting businesses such as restaurants, movie theaters and stadiums in the months ahead when stay-at-home orders have ended, to what extent would the following precautions make you feel more or less comfortable? Introducing contact-free methods to pay* 128

32 **Table MCFE5_13:** *Thinking about visiting businesses such as restaurants, movie theaters and stadiums in the months ahead when stay-at-home orders have ended, to what extent would the following precautions make you feel more or less comfortable? Shortening hours of business for all customers or attendees* 132

33 **Table MCFE5_14:** *Thinking about visiting businesses such as restaurants, movie theaters and stadiums in the months ahead when stay-at-home orders have ended, to what extent would the following precautions make you feel more or less comfortable? Having fewer events and/or movie screenings available* 136

34 **Table MCFE5_15:** *Thinking about visiting businesses such as restaurants, movie theaters and stadiums in the months ahead when stay-at-home orders have ended, to what extent would the following precautions make you feel more or less comfortable? Requiring all employees to wear gloves* 140

35 **Table MCFE5_16:** *Thinking about visiting businesses such as restaurants, movie theaters and stadiums in the months ahead when stay-at-home orders have ended, to what extent would the following precautions make you feel more or less comfortable? Operating at 25 percent capacity* 144

36 **Table MCFE5_17:** *Thinking about visiting businesses such as restaurants, movie theaters and stadiums in the months ahead when stay-at-home orders have ended, to what extent would the following precautions make you feel more or less comfortable? Operating at 50 percent capacity* 148

37 **Table MCFE5_18:** *Thinking about visiting businesses such as restaurants, movie theaters and stadiums in the months ahead when stay-at-home orders have ended, to what extent would the following precautions make you feel more or less comfortable? Improving air filtration with increased ventilation* 152

38	Table MCFE5_19: <i>Thinking about visiting businesses such as restaurants, movie theaters and stadiums in the months ahead when stay-at-home orders have ended, to what extent would the following precautions make you feel more or less comfortable? Requiring employees to undergo health training to recognize and prevent the spread of coronavirus</i>	156
39	Table MCFE5_20: <i>Thinking about visiting businesses such as restaurants, movie theaters and stadiums in the months ahead when stay-at-home orders have ended, to what extent would the following precautions make you feel more or less comfortable? Requiring employees and customers or attendees to show proof of a negative coronavirus test before entering</i>	160
40	Table MCFE5_21: <i>Thinking about visiting businesses such as restaurants, movie theaters and stadiums in the months ahead when stay-at-home orders have ended, to what extent would the following precautions make you feel more or less comfortable? Requiring employees and customers or attendees to show proof of vaccination before entering</i>	164
41	Table MCFE6_1: <i>And again thinking about the safety policies that businesses such as restaurants, movie theaters and stadiums have implemented amid the pandemic, to what extent do you think the following precautions help stop the spread of COVID-19 (coronavirus)? Installing more hand sanitizers</i>	168
42	Table MCFE6_2: <i>And again thinking about the safety policies that businesses such as restaurants, movie theaters and stadiums have implemented amid the pandemic, to what extent do you think the following precautions help stop the spread of COVID-19 (coronavirus)? Regularly sanitizing high-touch surfaces</i>	172
43	Table MCFE6_3: <i>And again thinking about the safety policies that businesses such as restaurants, movie theaters and stadiums have implemented amid the pandemic, to what extent do you think the following precautions help stop the spread of COVID-19 (coronavirus)? Requiring all employees to wear masks</i>	176
44	Table MCFE6_4: <i>And again thinking about the safety policies that businesses such as restaurants, movie theaters and stadiums have implemented amid the pandemic, to what extent do you think the following precautions help stop the spread of COVID-19 (coronavirus)? Requiring all customers or attendees to wear masks</i>	180
45	Table MCFE6_5: <i>And again thinking about the safety policies that businesses such as restaurants, movie theaters and stadiums have implemented amid the pandemic, to what extent do you think the following precautions help stop the spread of COVID-19 (coronavirus)? Spacing seating or standing arrangements six feet apart to ensure social distancing</i>	184
46	Table MCFE6_6: <i>And again thinking about the safety policies that businesses such as restaurants, movie theaters and stadiums have implemented amid the pandemic, to what extent do you think the following precautions help stop the spread of COVID-19 (coronavirus)? Allowing a smaller share of customers or attendees into certain spaces</i>	188
47	Table MCFE6_7: <i>And again thinking about the safety policies that businesses such as restaurants, movie theaters and stadiums have implemented amid the pandemic, to what extent do you think the following precautions help stop the spread of COVID-19 (coronavirus)? Requiring temperature screenings for all customers or attendees</i>	192

48 **Table MCFE6_8:** *And again thinking about the safety policies that businesses such as restaurants, movie theaters and stadiums have implemented amid the pandemic, to what extent do you think the following precautions help stop the spread of COVID-19 (coronavirus)? Posting signage encouraging social distancing among customers or attendees* 196

49 **Table MCFE6_9:** *And again thinking about the safety policies that businesses such as restaurants, movie theaters and stadiums have implemented amid the pandemic, to what extent do you think the following precautions help stop the spread of COVID-19 (coronavirus)? Posting signage about cleaning and sanitizing schedules* 200

50 **Table MCFE6_10:** *And again thinking about the safety policies that businesses such as restaurants, movie theaters and stadiums have implemented amid the pandemic, to what extent do you think the following precautions help stop the spread of COVID-19 (coronavirus)? Operating specific hours for the elderly, immunocompromised or vulnerable groups* 204

51 **Table MCFE6_11:** *And again thinking about the safety policies that businesses such as restaurants, movie theaters and stadiums have implemented amid the pandemic, to what extent do you think the following precautions help stop the spread of COVID-19 (coronavirus)? Offering prepackaged food or takeout in place of dine in or served food options* 208

52 **Table MCFE6_12:** *And again thinking about the safety policies that businesses such as restaurants, movie theaters and stadiums have implemented amid the pandemic, to what extent do you think the following precautions help stop the spread of COVID-19 (coronavirus)? Introducing contact-free methods to pay* 212

53 **Table MCFE6_13:** *And again thinking about the safety policies that businesses such as restaurants, movie theaters and stadiums have implemented amid the pandemic, to what extent do you think the following precautions help stop the spread of COVID-19 (coronavirus)? Shortening hours of business for all customers or attendees* 216

54 **Table MCFE6_14:** *And again thinking about the safety policies that businesses such as restaurants, movie theaters and stadiums have implemented amid the pandemic, to what extent do you think the following precautions help stop the spread of COVID-19 (coronavirus)? Having fewer events and/or movie screenings available* 220

55 **Table MCFE6_15:** *And again thinking about the safety policies that businesses such as restaurants, movie theaters and stadiums have implemented amid the pandemic, to what extent do you think the following precautions help stop the spread of COVID-19 (coronavirus)? Requiring all employees to wear gloves* 224

56 **Table MCFE6_16:** *And again thinking about the safety policies that businesses such as restaurants, movie theaters and stadiums have implemented amid the pandemic, to what extent do you think the following precautions help stop the spread of COVID-19 (coronavirus)? Operating at 25 percent capacity* 228

57 **Table MCFE6_17:** *And again thinking about the safety policies that businesses such as restaurants, movie theaters and stadiums have implemented amid the pandemic, to what extent do you think the following precautions help stop the spread of COVID-19 (coronavirus)? Operating at 50 percent capacity* 232

58	Table MCFE6_18: <i>And again thinking about the safety policies that businesses such as restaurants, movie theaters and stadiums have implemented amid the pandemic, to what extent do you think the following precautions help stop the spread of COVID-19 (coronavirus)? Improving air filtration with increased ventilation</i>	236
59	Table MCFE6_19: <i>And again thinking about the safety policies that businesses such as restaurants, movie theaters and stadiums have implemented amid the pandemic, to what extent do you think the following precautions help stop the spread of COVID-19 (coronavirus)? Requiring employees to undergo health training to recognize and prevent the spread of coronavirus .</i>	240
