

National Tracking Poll #2111104  
November 17-21, 2021

*Crosstabulation Results*

*Methodology:*

This poll was conducted between November 17-November 21, 2021 among a sample of 2199 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on gender, educational attainment, age, race, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

**Table MCER4:** As you may know, protesters, led largely by youth activists, demonstrated at COP26 and internationally over the duration of the two-week summit. They argued that global leaders have not done enough on climate change, both in general and at the summit specifically. Do you approve or disapprove of the protesters' actions?
