

National Tracking Poll #2112028
December 03-06, 2021

Crosstabulation Results

Methodology:

This poll was conducted between December 3-December 6, 2021 among a sample of 2200 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on gender, educational attainment, age, race, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

Table Index

1	Table MCHE1_1: <i>To what extent do you trust the following? Major pharmacies such as CVS or Walgreens</i>	4
2	Table MCHE1_2: <i>To what extent do you trust the following? Local pharmacies</i>	8
3	Table MCHE1_3: <i>To what extent do you trust the following? Retail health clinics such as MinuteClinic in CVS, Walgreens Healthcare Clinic, or Walmart Care Clinic</i>	12
4	Table MCHE1_4: <i>To what extent do you trust the following? Your primary doctor</i>	16
5	Table MCHE1_5: <i>To what extent do you trust the following? The health care industry</i>	20
6	Table MCHE1_6: <i>To what extent do you trust the following? Hospitals</i>	24
7	Table MCHE1_7: <i>To what extent do you trust the following? Clinical research trials</i>	28
8	Table MCHE2: <i>As you may know, President Joe Biden has proposed spending \$6.5 billion to establish the Advanced Research Projects Agency for Health (ARPA-H). ARPA-H will be tasked with speeding biomedical research to find treatments and cures for diseases including Alzheimer’s and cancer through high-risk, high-reward projects. How much have you seen, read, or heard about this?</i>	32
9	Table MCHE3: <i>Do you support or oppose the establishment of the Advanced Research Projects Agency for Health (ARPA-H)?</i>	36
10	Table MCHE4_1: <i>How interested would you be in participating in a clinical trial in each of the following scenarios? All clinical trials visits are virtual, such as through an app</i>	40
11	Table MCHE4_2: <i>How interested would you be in participating in a clinical trial in each of the following scenarios? The clinical trial visits take place at a retail clinic (e.g., Walgreens, CVS, RiteAid)</i>	44
12	Table MCHE4_3: <i>How interested would you be in participating in a clinical trial in each of the following scenarios? The clinical trial visits take place in a hospital</i>	48
13	Table MCHE4_4: <i>How interested would you be in participating in a clinical trial in each of the following scenarios? Some clinical trial visits are virtual, while some take place in a hospital</i>	52
14	Table MCHE4_5: <i>How interested would you be in participating in a clinical trial in each of the following scenarios? The commute to the clinical trial site is over 30 minutes</i>	56
15	Table MCHE4_6: <i>How interested would you be in participating in a clinical trial in each of the following scenarios? The commute to the clinical trial site is under 30 minutes</i>	60
16	Table MCHE5_1: <i>How important do you think each of the following is when it comes to conducting clinical trials? Trials being conducted in a wide variety of geographic areas</i>	64
17	Table MCHE5_2: <i>How important do you think each of the following is when it comes to conducting clinical trials? Trial participants are diverse</i>	68

18	Table MCHE5_3: <i>How important do you think each of the following is when it comes to conducting clinical trials? Trials are easy for participants to get to</i>	72
19	Table MCHE5_4: <i>How important do you think each of the following is when it comes to conducting clinical trials? Trial visits don't take up too much of participants' time</i>	76
20	Table MCHEdem1: <i>As you may know, clinical trials are research studies involving human participants that are designed to answer questions about biomedical or behavioral interventions, including new treatments, such as vaccines, drugs, dietary supplements, and medical devices. Have you ever participated in a clinical trial?</i>	80
21	Summary Statistics of Survey Respondent Demographics	84

Table MCHE2: As you may know, President Joe Biden has proposed spending \$6.5 billion to establish the Advanced Research Projects Agency for Health (ARPA-H). ARPA-H will be tasked with speeding biomedical research to find treatments and cures for diseases including Alzheimer's and cancer through high-risk, high-reward projects. How much have you seen, read, or heard about this?

Table MCHE2: As you may know, President Joe Biden has proposed spending \$6.5 billion to establish the Advanced Research Projects Agency for Health (ARPA-H). ARPA-H will be tasked with speeding biomedical research to find treatments and cures for diseases including Alzheimer’s and cancer through high-risk, high-reward projects. How much have you seen, read, or heard about this?

Demographic	A lot		Some		Not much		Nothing at all		Total N
Adults	5%	(106)	19%	(409)	32%	(696)	45%	(989)	2200
