

National Tracking Poll #2203138
March 18-21, 2022

Crosstabulation Results

Methodology:

This poll was conducted between March 18-March 21, 2022 among a sample of 2005 Registered Voters. The interviews were conducted online and the data were weighted to approximate a target sample of Registered Voters based on gender by age, educational attainment, race, marital status, home ownership, race by educational attainment, 2020 presidential vote, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

Table POL16_1: As you may know, the North Atlantic Treaty Organization (NATO) is a military alliance of Western countries originally formed to guard against the threat of the Soviet Union. It includes countries such as the United States, Canada, France, Italy, Germany, and Poland among others. Based on what you know, how likely do you think it is, if at all, that each of the following will happen?

A direct war between Russia and the U.S.

Table POL16_1: As you may know, the North Atlantic Treaty Organization (NATO) is a military alliance of Western countries originally formed to guard against the threat of the Soviet Union. It includes countries such as the United States, Canada, France, Italy, Germany, and Poland among others. Based on what you know, how likely do you think it is, if at all, that each of the following will happen?
A direct war between Russia and the U.S.

Table POL16_3: As you may know, the North Atlantic Treaty Organization (NATO) is a military alliance of Western countries originally formed to guard against the threat of the Soviet Union. It includes countries such as the United States, Canada, France, Italy, Germany, and Poland among others. Based on what you know, how likely do you think it is, if at all, that each of the following will happen?

A direct war between Russia and NATO allies

Table POL16_5: As you may know, the North Atlantic Treaty Organization (NATO) is a military alliance of Western countries originally formed to guard against the threat of the Soviet Union. It includes countries such as the United States, Canada, France, Italy, Germany, and Poland among others. Based on what you know, how likely do you think it is, if at all, that each of the following will happen?
 Russia invading other non-NATO countries

Table POL18: As you may know, the U.S. Senate passed a bill to make daylight saving time permanent starting in November 2023. Making daylight saving time permanent will result in darker mornings in exchange for extended daylight in the afternoons, and will end the need for Americans to change their clocks twice a year. The bill still needs to be passed by the House of Representatives before it can become law. To what extent do you support or oppose making daylight saving time permanent?
