

National Tracking Poll #2212099  
December 14-19, 2022

*Crosstabulation Results*

*Methodology:*

This poll was conducted between December 14-December 19, 2022 among a sample of 2210 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on gender, age, race, educational attainment, and region. Results from the full survey have a margin of error of plus or minus 2 percentage points.

# Table Index

- 1 **Table MCH3:** *As you may or may not know, a public health emergency is a declaration that releases resources meant to handle a public health threat, and there continues to be a federal public health emergency in effect for COVID-19, at least until mid-January 2023. In your opinion, do you think a public health emergency should be in effect currently for COVID-19?* 3
